

Financial Update

Further to our stewardship campaign earlier this summer I am very pleased to report that our financial position has improved significantly. We are very grateful to all who have given so generously by way of increased regular giving, "one off donations" and also for supporting our fundraising events earlier this month. As a result, our bank balance is now some £11000 higher.

We do however soon face a number of significant bills. We are proceeding with the planned and budgeted installation of railings to both the cemetery and between the CMC and the church carpark. In addition, the large tree in front of the CMC is now unsafe and requires extensive surgery which will cost in excess of £1000.

Iain Church Warden

Your prayers are asked for:

Steve LJ

Also, giving thanks for much answered prayer!

Please contact the church office if you would like a name to be added to this list. The named person must give their permission.
