Financial Update

Our finances remain strong and in surplus which will give us a positive end to the financial year next month. It also enables us to plan positively for 2025. Thank you again for all your generosity which has put us in this position.

Mission Update

Bible Society.

In 1800 a 15-year-old Welsh girl called Mary Jones walked 26 miles to buy a Welsh Bible. She was so determined to have a Bible of her own, in her own language. So much so that she saved up for six years. What Mary did was soon the talk of the local churches and other significant Christians nationwide, including William Wilberforce, for people to have a Bible in their own language. From that the Bible Society (originally British and Foreign Bible Society) was formed.

Since that time, there are now about 150 Bible Societies around the world. These provide new translations, support and all age resources to encourage a love and a deeper understanding of the Bible.
